

September Photo Album

On September 1st we invited the senior citizens from Villa Linda Miller over to Micah for a luncheon. The boys got all dressed up and served lunch.

Seniors Luncheon

Art with Mauricio

Mexican Artist Mauricio Palacios shared his time and talents with us in many ways, including a collaborative art piece for the Micah living room and a painting for the Isaiah House inspired by the guys' testimonies.

Diplomatic Ladies Fundraiser

Our friend Simon Kafie hosted a luncheon for the Diplomatic Ladies of Honduras at his beautiful home. Micah grad Pedro Martinez and current Micah residents Axel and Miguel shared their testimonies with the ladies who were so touched by all that God has done in their lives.

Labor of Love St Louis

On Labor Day we held our fourth annual Labor of Love 5K/1Mile walk/run in St Louis. Our friend and board member Tiffanie Upshaw along with her team of helpers spent countless hours preparing for this incredible event.

Labor of Love Honduras

On the same day as the Labor of Love in St Louis, we held a similar run here on the Micah property with all the boys, staff and even neighbors!

Dia del Niño

September 10th is Dia del Niño (Children's Day) in Honduras. What better way to celebrate than with a hike to a park and a piñata?

Welcome Selvin

Fourteen-year-old Selvin, who we found sleeping on the streets in August made the decision to move into Micah in September!

Please keep Selvin in your prayers as well as boys like José Luis (pictured here with Michael's parents) who are still on the streets.
