## Happy 15<sup>th</sup> Anniversary, Micah!

In the 15 years of the Micah Project, 59 young men have called the Micah Project home. Last night, 43 of those Micah men were present at the Micah House to celebrate our 15th anniversary! It was the first time that so many were present in one place in many years. As they got up and shared their experiences, words of thanks and encouragement to the younger guys, one truth became crystal clear: the Lord has been incredibly faithful to the Micah family!!!

Above: Matt Darr was the first Timothy House coordinator (called Leadership House back then). He stands with members of the original group of grads.

## Worker Bees!

As we wrap up the boys' long three-month school vacation, they have been doing several projects on the Micah 2.0

# Welcome Back Bells!!

# Off to New Places

After graduating in November, Nefy, Moises, and Pedro Luis have packed up their things and are moving out of the Micah House and on to different places. The other boys at Micah will surely miss these graduates but it will be exciting to see the younger boys develop into the leaders that Nefy, Moises and P.L. exemplified so well during their time at Micah.

Nefy and Moises (pictured above) are attending a University called Catolica located in Tegucigalpa. They are both in an 8 year medicine program and we are excited to have them working together as a support system for each other as they strive to become doctors. They are currently living at the Timothy House.

Pedro Luis (pictured on the right), who graduated from high school in November, left for Argentina last weekend for a six-month Discipleship Training School through Youth with a Mission (YWAM). Pray for Pedro Luis as he begins to discover what it means to be a missionary!

## Welcome Ian!!!

We are thrilled to welcome the newest member of the Micah family into the world! On January 16<sup>th</sup>, just after 9 pm, Ian Rae Zaldaña Miller was born to proud parents Israel and Jenna. What a beautiful child! A true miracle from the Lord.

## Micah's Board of Directors!

The Micah Project's board of directors met this weekend at the Micah House in order to begin to plan the next five years ministry...Vision 2020! We are SO grateful to this passionate group of people that are so invested in the Micah family.
